

## Jake Songer recommended supply list 2025

Warm and cool of each primary:

I use:

Cadmium red

Alizarin Crimson

Lemon yellow

Cad yellow medium

Ultramarine blue

Prussian Blue

Titanium white.

Also bring black and green if you prefer.

Several Hog bristle brushes. 1/2" and 3/4" width.

Some type of palette that has ample space. I use a large piece of glass. Disposable paper palette will work (think large if possible)

Last time I used a glass shelf out of the refrigerator of my Airbnb. Some artists will buy an inexpensive frame locally and pop the glass out to use

Bring your usual setup of mineral spirits, paper towels, rags, pallet cups, linseed oil etc.

Bring a few canvases or canvas boards in the 16x20 range.

\*I will provide a few small canvases for a class experiment.
