

2025 WORKSHOP SUPPLY LIST UPDATED

OIL PAINTS

Below I've listed two palettes. The first one is an Extended Limited Palette recommended for this workshop. The second is my current full palette. I am sharing this because everyone is interested in what I use. I do periodically make changes or a color gets put aside. It depends on what I'm working on. You are not expected to have all these colors with you unless you want to experiment. I normally have extra if you want to try a color.

At a minimum please bring this Extended Limited Palette:

Ivory Black
Yellow Ochre (R)
Terra Rosa (W/N or Vasari Or Gamblin Venetian Red)
Titanium White
Transparent Oxide Red (R)
Transparent Oxide Yellow (R)
Viridian (R)
Ultramarine Blue Deep
Cadmium Yellow Pale (or similar if not using Cadmium)
Cadmium Red (or similar if not using Cadmium)(W/N)

You can do most everything you need with the above list.

DO NOT USE STUDENT GRADE PAINT!

It will not contain enough pigment to do what you want it to do. Even though different brands use the same names the pigment can be different. For instance, Terra Rosa. If I make a suggestion I'm specific on brand or substitute name.

Key: (R)Rembrandt, (W/N)Winsor Newton, (MH)Michael Harding,
(V)Vasari (U)Utrecht (G) Gamblin
*required

FULL STUDIO PALETTE

This full palette is not a requirement. It is, however, what my set up is in the studio.

Transparent Oxide Yellow (R)
Transparent Oxide Red (R)
Transparent Oxide Brown (R)
Raw Umber (prefer V but others can work)
Ultramarine Blue Deep (R)
Cobalt Blue Lt (optional)(R)
Viridian (R)
Kings Blue (optional)
Plum Grey (U) a great neutral
Yellow Ochre (R)
Terra Rosa (W/N or V) OR (G) Venetian Red is similar
Alizarin Permanent (W/N or V)
Cadmium Red (a very neutral red) (W/N)
Cadmium Orange (R)
Cadmium Yellow Deep (R)
Cadmium Yellow Pale (W/N)
Cadmium Yellow Lemon (W/N)
Naples Yellow Light (R)
Titanium White (R, M/H, or V)
Warm White (M/H)

BRUSHES

Rosemary Brushes are what I use. You can use whatever brand you want as long as they are in good condition. Please consider the recommended sizes though. I tend to use very few brushes in a session.

Eclipse, Long Filberts, Sizes 4, 6, 8, 10 or my Brush Pack from Rosemary
Series 66 sable, Cat's Tongue #6 & #8 (it's not a big brush despite the number- it's sized like a watercolor brush) or anything with a pointed tip (that's why it's called a "cat's tongue"
A Fan brush or Mundy Mop is useful for softening edges

PANELS*

This is even more important than paints or brushes!

I regularly use RayMar Panels C13DP

OR

For an affordable support for studies I recommend*:

Centurion Oil Primed Linen Panel (OP DLX) or Pads (available @ Jerry's Artarama).

Ampersand Gessoed Panels are another lower cost option. OR,

*If you have panels or canvas at home with anything but a super smooth texture you can use W/N Oil Paint Primer to create a nice surface. Very inexpensive and easy! I encourage you to either use the panels suggested or utilize the ground/primer so that you will totally benefit from this workshop. Sometimes you only need to add one coat to the surface.

Sizes:

9 x 12, 11 x 14 Oil Primed Panels, larger if you want. Maybe two of each with an extra one thrown in. It depends on you. I will probably use those sizes. Plan on at least one per day depending on how fast you paint.

MEDIUM

Gamsol

Galkyd Gel REFERENCE PHOTOS

I will provide a variety of photos through email and prints to choose from but please use whatever images you would like to work on. Its more important to be excited about what you want to paint. This is the time to experiment with me nearby

APPS

Grid Painter PLEASE DOWNLOAD BEFORE CLASS

You will find this extremely useful during and after the workshop.

OTHER ITEMS

Dry Erase Board *required will be utilized every day
available on Amazon

https://www.amazon.com/Mr-Erase-Board-Black-Marker/dp/B08L45NSRM?ref_=ast_sto_dp&th=1&psc=1
