

DOMINIQUE MEDICI

Supply List – Alla Prima with a Limited Palette

www.dominiquemedici.com (646) 296- 4267 dm@dominiquemedici.com

Palette: Use a gray palette. You can make a gray palette by painting the back of a piece of plexiglass with gray acrylic or buy one from your local art store.

1. Soho Gray Palette (budget): <https://amzn.to/3CuLNSj>
2. New Wave Gray Glass Palette (fancy): <https://amzn.to/3Cu3UrB>

Brushes: Any professional brushes in the following sizes are fine,

- Hog Hair or Natural Bristle (Flat and/or Filbert) #4 (2), #6 (2) #8 (1)
- Kolinsky Sable or synthetic (pointed) #4 (1)

I use Rosemary and Co. Brushes Here is a link to my basic set:

<https://www.rosemaryandco.com?u=dominiquemedici>

Paints: No student grade, 40ml tube or larger

- Titanium White <https://amzn.to/3AtU6x5>
- Cadmium Yellow Light <https://amzn.to/2XAxZXr>
- Cadmium Red Light <https://amzn.to/3nOPqyv>
- Quinacridone Red <https://amzn.to/3zthNUS>
- Ultramarine Blue <https://amzn.to/3zovmVH>
- Cobalt Teal <https://amzn.to/3CyPdDs>
- Ivory Black <https://amzn.to/3AvldqG>
-

Painting Surface: Use your preferred surface and prime with a neutral gray gesso unless otherwise instructed.

Masonite (hardboard), Canvas, Linen Panels, Stretched Canvas or Linen

Size: Medici may recommend a specific sized canvas or panel

General sizes used are: 8" x 10", 9" x 11", 11" x 14" or 12"x16"

Quantity: Have 1 or 2 canvases ready for each class

Optionally use Richeson gray toned hardboard panel 11"x14" <https://amzn.to/2Z5cOxd>

Want to make your own toned panels?

Dominique makes her own gesso panels by buying hardboard from Home Depot and cut it down to 11"x14" one full sheet gives you about 25 panels. And costs less than \$20. That said HD will only make one or 2 cuts. You will need someone with access to a table saw to cut it down. If you are planning on doing a lot of painting this is a good option.

Richeson sells precut hardboard panels if you would like to make your own gesso panels

<https://amzn.to/3zqYsE1>

Gesso: I use Utrecht professional gesso and mix it with black gesso to get a gray gesso, aim for value 5 or 6 on the value scale

<https://www.dickblick.com/products/utrecht-professional-acrylic-gesso/>

Mediums: Any pro linseed oil my preferred is Gamblin

Gamblin- Refined Linseed Oil 8 fl oz <https://amzn.to/3EyqktF>

Winsor & Newton Liquin Fine Detail Medium, 75ml <https://amzn.to/39rngAY>
