**PANELS\***

*This is even more important than paints or brushes!*

I regularly use **RayMar Panels C13DP**

**OR,**

Another option for studies I recommend\*:

Centurion Oil Primed Linen Panel (OP DLX) or Pads (available @  
Jerry's Artarama)

Ampersand Gessoed Panels are another lower cost option.

**SIZE:**

(2-3) 11 x 14 Oil Primed Panels for head studies, larger ( 14 x 18 or  
16 x 20) for full body animal workshops. Smaller will limit you.

\*If you have panels or canvas at home with anything but a super smooth texture you can use *W/N Oil Paint Primer* to create a nice surface. Very inexpensive and easy! I encourage you to either use the panels suggested or utilize the ground/primer so that you will totally benefit from this workshop. Sometimes you only need to add one coat to the surface.
